Details

SUPERIOR FABRIC AND ADVANCED TECHNOLOGY

Highly waterproof, windproof and extremely breathable thanks to its mesh 3rd layer, the B&C X-Lite Softshell /men combines great weather protection with lightweight packability, making it the perfect partner for an active lifestyle. This high performance 3-layer laminate softshell is exceptionally comfortable thanks to the 4-way stretch fabric, highly ergonomic body design and articulated sleeves. Features include media compatibility, zipped pockets and a chin protector, so it's great when on the move.

For a lightweight weatherproof duo, pair it with the B&C X-Lite Softshell /women.

PROTECTION

- Perfect weather protection thanks to the 3-layer Softshell construction.
- Maximum protection for a minimum of weight and pack volume. Thanks to Ligh Pack Concept, this jacket is highly functional.
- Critical seams taped for superior protection against wind and rain.
- Adjustable bottom hem with elasticated drawcord and stoppers to make you stay insulated and protected even when active.
- Adjustable cuffs with rubber tab complete the insulation.
- The breathable inner membrane means the wearer stays dry at all times.

COMFORT & FIT

- Contemporary styling and details.
- 4-way stretch structure, actively supports freedom of movement.
- Mid-layer membrane blocks wind and water, and whisks body moisture vapour away to the outer layer where it evaporates quickly, regulating body temperature.
- Performance fit – ergonomic body shape and articulated raglan sleeves.
- Media Player compatible: right chest pocket with headphone exit and cable loops for earphones on the collar.
